About the Juror

~~~

## Dan Graziano

Dan Graziano is an award winning, nationally exhibited artist whose paintings capture the hidden beauty found in the unexpected places and fleeting moments of everyday life. Incorporating dramatic light, shadow, color and perspective, his compositions feature a diversity of subjects - from a simple still life to rugged coastlines, active urban life, lively cafes and bars, small rural towns and forgotten roadside relics. His work has been featured in numerous publications and is in the collections of private and corporate collectors throughout the world.
